Chapter 1

Prompt Pack: Governance

Use these prompts to assist in completing governance documentation.

1.1 Prompt 1: Model Card Drafting

“Based on the following methodological summary, help me draft the ‘Intended Use’ and ‘Ethical Considerations’ sections of a Model Card. Ensure the language is neutral and objective.”

[Paste summary here]

1.2 Prompt 2: Risk Register Brainstorming

“I am conducting a healthcare data analysis project involving [Data Type] and [Analysis Method]. Generate a list of 5 common project risks (data, methodological, and operational) and suggest a mitigation strategy for each.”
