Chapter 1

Risk Register

Identify, track, and mitigate project risks (e.g., data privacy leaks, biased outcomes, delays).

1.1 Format

- **Date Identified:** YYYY-MM-DD
- **Risk Description:** [What could go wrong]
- **Likelihood:** [Low/Medium/High]
- **Impact:** [Low/Medium/High]
- **Mitigation Strategy:** [How this will be prevented or addressed]

REPLACE THIS: Start adding identified risks below following the format above.
